Q1. Read the passage carefully and answer the questions given below:

On Saturday morning, the postman delivered a large parcel for Naman.

The parcel contained a birthday present. Naman looked at the stamps on the packet. He shouted excitedly as uncle Raghav, who lived in America, had not forgotten Naman's birthday. Mother made Naman promise to open the parcel on his birthday only. The next day, his father was just as excited as Naman when they discovered that the parcel contained an electric train set. "Let's go upstairs and put it together," father said. They both went upstairs. Naman remained with his father for about an hour, but finally got bored with the train set and went into the living room. At about lunchtime, Naman's mother came into the living room. "Where is your father?" she asked. "I have been looking for him everywhere." "He is upstairs, mum." Naman answered.
